PhD. Riccardo Cardilli, Facoltà di Giurisprudenza. Università di Tor Vergata. Rome. Italy.

TITLE:

Coronavirus and ius. The Legal World faces the Great Pandemia 2020. History and Theory

ABSTRACT:

The real meaning of word 'epidemic' and 'pandemic'. The pandemic in the history: the 'antonian plague in Roman Empire and the epidemic in Athens. The issue of the role of law managing extraordinary events: the modern perspective and the roman law perspective in comparison. The theory of Carl Schmitt of *Ausnahmezustand* and the necessity to overcome this model. The importance of law and legal science in the extraordinary historical periods.
